Dear Ms. Majmudar:

Further to the conversation you had with our corporate attorney, Mr. David Loev, on December 24<sup>th</sup> 2015, we are requesting an extension to file our response to the letter received from the Staff on December 18<sup>th</sup>, 2015 from Karl Hiller at the Office of Natural Resources regarding our Form 10-K for the year ended December 31, 2014 and Form 10-Q for the quarter ended September 30, 2015. We are formally requesting an extension to respond by January 25<sup>th</sup>, 2016.

Due to the holiday season, our ability to procure the licenses experts, such as reservoir engineers and accounting staff, was limited and their review is necessary to properly analyze the data and respond to the comments addressed in the letter.

We now have the team in place and will have a comprehensive response made available by the proposed new deadline.

Thank you for your consideration,

/s/ Zel C. Khan
